Safety & Accessibility Home Repair Program

Offered by Hancock County Habitat for Humanity

This program completes basic safety and accessibility repair projects (around \$500) for residents age 60 or over who:

- live in Bucksport Bay area
- meet eligibility requirements
- go through a site assessment

Rotting and rickety

Safe and sturdy!

How to Hire a Home Improvement Contractor

1. Make a list of what you need done
2. Seek recommendations from family and friends
3. Check the recommendations
4. Compare contractors
5. Ask for estimates
6. Get everything in writing
7. Don't pay the final bill until all the work is complete

USDA Grant Loan Program

Single Family Housing Repair Loans & Grants

Also known as the Section 504 Home Repair program, this provides either loans to very-low-income homeowners to repair, improve or modernize their homes, or grants to older very-low-income homeowners to remove health and safety hazards.

Maine Housing

Maine Housing's Home Accessibility and Repair Program provides help, in the form of a grant, to low-income homeowners who cannot afford necessary home repairs.
